DECLARATIONS OF INTEREST AT MEETINGS

When declaring an interest at a meeting Members are asked to indicate whether their interest in the matter is pecuniary, or if the matter relates to, or affects a pecuniary interest they have, or if it is another type of interest. Members are required to identify the nature of the interest and the agenda item to which it relates. In the case of other interests, the member may speak and vote. If it is a pecuniary interest, the member must withdraw from the meeting when it is discussed. If it affects or relates to a pecuniary interest the member has, they have the right to make representations to the meeting as a member of the public but must then withdraw from the meeting. Members are also requested when appropriate to make any declarations under the Code of Practice on Planning and Judicial matters.

Have you declared the interest in the register of interests as a pecuniary interest? If Yes, you will need to withdraw from the room when it is discussed.

Does the interest directly:

- 1. affect yours, or your spouse / partner's financial position?
- 2. relate to the determining of any approval, consent, licence, permission or registration in relation to you or your spouse / partner?
- 3. Relate to a contract you, or your spouse / partner have with the Council
- 4. Affect land you or your spouse / partner own
- 5. Affect a company that you or your partner own, or have a shareholding in

If the answer is "yes" to any of the above, it is likely to be pecuniary.

Please refer to the guidance given on declaring pecuniary interests in the register of interest forms. If you have a pecuniary interest, you will need to inform the meeting and then withdraw from the room when it is discussed. If it has not been previously declared, you will also need to notify the Monitoring Officer within 28 days.

Does the interest indirectly affect or relate any pecuniary interest you have already declared, or an interest you have identified at 1-5 above?

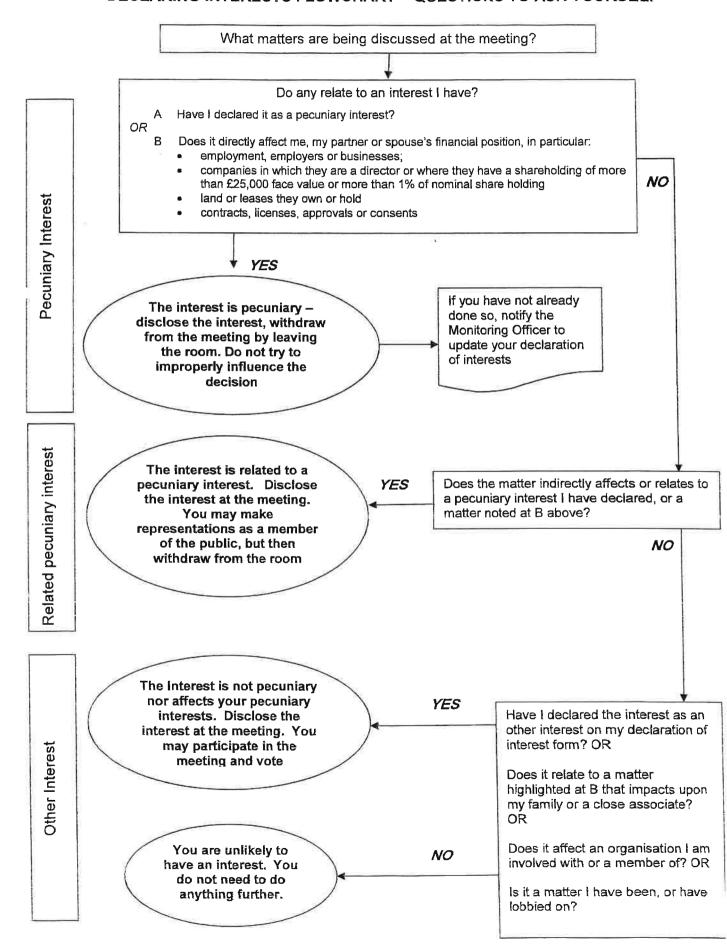

If yes, you need to inform the meeting. When it is discussed, you will have the right to make representations to the meeting as a member of the public, but must then withdraw from the meeting.

Is the interest not related to any of the above? If so, it is likely to be an other interest. You will need to declare the interest, but may participate in discussion and voting on the item.

Have you made any statements or undertaken any actions that would indicate that you have a closed mind on a matter under discussion? If so, you may be predetermined on the issue; you will need to inform the meeting, and when it is discussed, you will have the right to make representations to the meeting as a member of the public, but must then withdraw from the meeting.

FOR GUIDANCE REFER TO THE FLOWCHART OVERLEAF.
PLEASE REFER ANY QUERIES TO THE MONITORING OFFICER IN THE FIRST INSTANCE

18 May 2022

Dear Mr Gurney

Wymondham Town Council Internal Audit for the year ended 31 March 2022

I am pleased to advise that, following our recent audit, we have now completed our internal audit procedures in respect of the year ended 31 March 2022.

During the course of our work no matters came to light to indicate that the Council's internal control objectives were not being achieved, and I therefore enclose a completed and signed Annual Internal Audit Report for 2021/22.

Whistleblowing Policy

In our interim letter dated 24 January 2022 we raised one 'good practice' suggestion, recommending that a Whistleblowing Policy be developed. Such a Policy has now been developed, was formally approved by the Full Council on 1 March 2022, and is published on the Council's website. We therefore consider our recommendation to be fully cleared.

I would be grateful if you could share the contents of this letter with Councillors.

If you have any queries at all, please do not hesitate to contact either Marc Cawthorne or me.

Yours sincerely

Giles Kerkham Partner

for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2021/22

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2022.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, you must inform your
 external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide
 relevant authority owned generic email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2021) equals the balance brought forward in the current year (Box 1 of 2022).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2022.**

Section 3 – External Auditor's Report and Certificate 2021/22

In respect of

Wymondham Town Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO), A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/ .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- · summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Wymondham Town Council Meeting 7th June 2022

Live streaming of Wymondham Town Council full council meetings

It has long been a topic of informal conversation that full council meetings should be live streamed as they happen.

Now we have settled into the new building, it is time again to raise the possibility of installing a system to live stream to our residents and interested parties. South Norfolk District Council has been doing this for some time now and other town and parish councils also offer this service.

While members of the public are welcome to come to the Council Office for meetings, there are many who for various reasons may not be able to. Installing technology which will enable viewers to watch proceedings is part of our desire to ensure Council meetings are accessible for all.

As councillors wishing to be as open and transparent as possible about how we conduct Council matters, I hope we can agree to have the technology costed and installed for our residents to watch our meetings on YouTube.

The Town Clerk has obtained a quotation from the installer of the current audio/visual facilities in the chamber for £3044 + VAT.

Proposal: The Town Council authorises the installation of a live streaming facility in the Council Chamber and accepts the quotation of £3044 + VAT.

Summer Saturday Markets

Presently Wymondham Town Council organises one Saturday market per month, which is a Farmers' Market taking place on the third Saturday. In speaking to participants of the Bright Future working

group, and reading responses to the recent survey, it is clear that businesses and residents would like to see more frequent small events in the town centre.

A popular concept is to have more regular markets, but with a twist. Each summer Saturday where there isn't a Farmer's Market or another event already scheduled, we could hold a market with a different theme.

Themes for the Summer Saturday markets could include:

- Art
- Crafts
- Antiques
- Wellness
- Clubs & Community Groups

- Environment
- Vintage/history
- Youth
- Children/babies
- Pet gifts/supplies

The chosen themes should aim to avoid stalls which compete with established high street shops. Market themes which tie in with a local community group (e.g. Arts Society) could be organised in partnership.

Promotion of the market on social media should be done by the council, the stallholders and the relevant community groups. The series as a whole would be promoted with 'Summer Saturday Markets' branding to be used online and as a flyer on public noticeboards. After giving locals a chance to book first, additional spaces could be filled by advertising the event with a listing on Stallfinder.com (where adding an event listing is free of charge).

Due to the short time period between now and summer, road closures would not be able to be organised so stalls would need to be limited to the area between the bollards and the Market Cross. No bollards would be moved for these events and there will be no provision for an electricity supply. If stall bookings were particularly successful, perhaps in future years road closures could be added to match what is done for the current markets.

A minimum number of six stalls would need to book for a themed market to go ahead, and the maximum number of stalls would be capped at ten due to limited space between the bollards. Stall holders will need to provide their own public liability insurance & risk assessments when they book. The council will provide a template of a market stall risk assessment if the trader requires one.

Stall fees would be charged at the same rate as our current markets. Bookings and advance payment for stalls would be handled by the WTC Finance Officer or the Town Coordinator once that role has been filled. All stallholders would need to prepay by BACS or cheque.

Until the Town Coordinator is in post, a rota of Councillors wishing to volunteer to help at event setup and breakdown times could be established. The volunteer must be contactable throughout the event and a phone number be made available to stallholders. As there are no road closures, the duties would be fairly simple such as pointing stallholders to where their pitch is.

Proposal: this council agrees to establish a Summer Saturday Markets series beginning 23rd July 2022 and ending on 3rd September 2022 (six additional markets, Farmer's Market already scheduled for 20th August). The choice of which themes to schedule for which dates will be made by the Summer Saturday Markets Time & Task Working Group in partnership with relevant community groups wishing to cooperate.
